

NIEUWE WEEKDIERSOORTEN (SCHELPEM)

In deze rubriek signaleren wij publicaties van nieuw-benoemde geslachten en (onder)soorten van recente, schelpdragende weekdieren. De vermelding daarvan betekent niet, dat de nieuwe naam algemeen zal worden erkend en nagevolgd. Gemakshalve zijn de nieuwelingen familiegewijs gerangschikt en zijn de families in alfabetische volgorde opgenomen.
